

MODULAR ELECTRIC SINGLE ARM PENDANT

Single Arm Motorized Pendant is mainly used for placing monitors, electric knives, equipment, etc. which are required for general surgery. Besides, it provides the necessary medical gas and power output terminal.

Features : Rust resistant coating, shelves, with columns, intensive care, endoscopy, modular, monitor support arm (optional), motorized

Technical Specifications:

Product Code : ALT- 610

Maximum Load : 150 Kg

Vertical Movement : 650 mm

Gas Equipment : Variable according to project

Electrical Equipment : 6 X Electric Sockets, (optional)

Operating Temperature : (+10) - (+45) °C

Power Supply : 220 V 50 Hz

Horizontal Arm Length : 80-100 mm

Packaging Type : Wrapped /wooden packing

Package Sizes : 1150 x 620 x 700 mm & 1120x140x260 mm+ Size of upper ceiling

Mounting part

Product Weight : 180Kg

Material : Aluminum Extrusion Profile high impactive ABS With SS304 Screws

Color : Single /Dual color combination or as per requirement

Trays : 2/3 (variable)

Angle of Rotation : up to 340 degree
